Proposed Ship

Cunard Queen Mary 2

September 17-24, 2027 (7 Nights)

Ports New York to Quebec City – see side 2 for map and details

Price Range (per person, based on double occupancy, with a refundable deposit):

- Inside Cabin: \$1,676 - \$1,909 + \$100 onboard credit
- Oceanview (Outside) Cabin: \$2,159 + \$100 onboard credit
- Balcony Cabin: \$2,276 - \$3559 + \$150 onboard credit
- 2 suite levels (Princess & Queens Grills) are also available

Pricing and onboard credit amounts are based on Cunard's current promotion and are subject to change.

FEATURES:

- Cruise date is Sept. 2027 – gives everyone plenty of time to plan
- Different itinerary than the prior cruise with interesting ports of call
- Cruise starts in NY and ends in Quebec City– no expensive international flights required
- Queen Mary 2 is a newer ship and has a larger ballroom dance floor.
- We are monitoring the Dancing at Sea club website to ensure they do not plan to be on the voyage. Since we will be booking with refundable deposits, it gives us the ability to reevaluate if they were to end up on the same sailing again.
- We know more about Cunard and think we can carve out additional dancing opportunities.
- Fall in that area represents the best weather - we should be right in the middle of the leaves changing in the New England area, while it is still hot in Arizona.
- Change of dates away from a major holiday should result in a less crowded dance floor and the ability to dress more casually
- Cunard has excellent on-ship entertainment and ballroom dancing every evening
